

Spend all your time waiting, For that second chance
For a break that would make it ok
There's always some reason, To feel not good enough
And it's hard at the end of the day
I need some distraction, Oh beautiful release
Memories seep from my veins
Let me be empty, and weightless ... And maybe.
I'll find some peace tonight

In the arms of the angel, Fly away from here
From this dark cold hotel room, And the endlessness that you fear
You are pulled from the wreckage, Of your silent reverie
(You're in the) arms of the angel, May you find some comfort here

When somebody loved me, Everything was beautiful
Every hour we spent together, Lives within my heart
And when you were sad, I was there to dry your tears
And when you were happy so was I, When you loved me

Through the summer and the fall, We had each other that was all
Just you and I together, Like it was meant to be
And when you were lonely, I was there to comfort you
And I knew that you loved me

In the arms of the angel, Fly away from here
From this dark cold hotel room, And the endlessness that you fear
You are pulled from the wreckage, Of your silent reverie
(You're in the) arms of the angel, May you find some comfort here

(You're in the) arms of the angel
May you find some comfort here
